Non-Ulcerative Corneal Diseases

a 1-hour continuing education course in veterinary ophthalmology

Join us for a continuing education course in the diagnosis and treatment of non-ulcerative corneal diseases such as chronic superficial keratitis (pannus), corneal dystrophy, and pigmentary keratitis.

This course is approved for 1 hour of continuing education credit. A catered reception will be held prior to the course.

We hope to see you there!

When: Tuesday, September 23
Reception: 6:30-7:00 p.m.
Seminar: 7:00-8:00 p.m.

Where: 4344 Kenilwood Dr.
Nashville, TN 37204
